Interstate 10 Construction Update

Avondale Boulevard to open the next two weekends

[\(Listen to an audio report of upcoming work\)](#)

Upcoming Restrictions

Construction continues with scheduled restrictions as part of the Interstate 10 improvement project. Avondale Boulevard at the I-10 interchange has been closed since June 20 and will reopen on Friday, June 27 at 4 p.m. for the weekend. Beginning Monday, June 30, weekday closures at Avondale Boulevard will continue until Thursday, July 3. Later in July, weekday closures of Avondale Boulevard at I-10 will occur for approximately one more week to complete the bridge work. In weeks following, drivers should plan for closures at 99th Avenue, Estrella/ Pebble Creek Parkway and restrictions at 107th Avenue.

Construction crews will continue bridge work at these interchanges in order to accommodate future lanes within the median of I-10. Drivers should use adjacent interchanges as bridge construction continues.

Project Information

The I-10 improvement project will provide additional lanes between Verrado Way and Loop 101 (Agua Fria Freeway). The freeway expansion includes widening into the median and

adding new outside lanes to improve east/west traffic flow in the West Valley.

This project is one of the first elements of the Regional Transportation Plan for Maricopa County and is funded through a voter-approved sales tax to improve and construct new transportation options throughout the Valley during the next 20 years. More information on the Regional Transportation Plan is available at www.azdot.gov/ValleyFreeways.
